**2018 LARGE BOAT OVERNIGHT MOORING APPLICATION SUPPLEMENT**

All boats that are occupied overnight (between 12:00 midnight and 6:00 A.M.) must attach this Large Boat Mooring Supplement to their 2018 Large Boat Mooring Permit Application. The information obtained in this form will be used to better plan the Large Boat Mooring Area and to mitigate the effects of boat occupancy on Shellfish Closures and the environment. The cooperation of boaters will enable us to continue to permit the overnight occupancy of boats with a minimum of restrictions.

Please answer the following questions as accurately and completely as possible:

1. How many people are usually aboard your boat when it is occupied overnight?  
a) 1-2    b) 3-4    c) 5-6    d) 7 or more
2. How many nights a year is your boat occupied overnight in Three Mile Harbor?  
a) 0-4    b) 5-8    c) 9-12    d) 13 or more
3. How many nights a year does your boat use its mooring?  
a) 0-14    b) 15-28    c) 29-60    d) 61 or more
4. Do you use shore side facilities for washing/sanitation?  
a) always    b) usually    c) sometimes    d) never

**Fees: Please indicate the amount enclosed below**

**Non-Residents**- \$10.00 supplemental fee per foot of boat length \_\_\_\_\_  
(This fee is in addition to the Large Boat Mooring Application fee)

The undersigned agrees to guarantee to the Trustees that he/she will not discharge any Marine Sanitation Device into the waters of Three Mile Harbor. He/she will also document the use of the pump-out stations/boats with a written log and receipts, which will be made available to the Trustees or their representative upon reasonable notice, and may be required as a condition of mooring renewal in future years.

I hereby agree to accept these supplemental conditions:

(date)

**Please Note:**

Only boats equipped with a Marine Sanitation Device will be permitted overnight occupancy in the Large Boat Mooring Area in 2018.

### Specifications for Large Boat Moorings

Registered Boat	Mushroom Anchor			Nylon Dacron	Stainless Steel	
<u>Length Ft.</u>	<u>Lbs.</u>	<u>Bottom Chain</u>	<u>Top Chain</u>	<u>Line</u>	<u>Chain</u>	<u>Wire</u>
23-26	200	3/8" Galv.20'	5/16" Galv.	5/8"	5/16"	1/4"
27-30	250	1/2" Galv.20'	3/8" Galv.	3/4"	3/8"	1/4"
31-34	300	1/2" Galv.20'	3/8" Galv.	3/4"	3/8"	1/4"
35-37	350	1/2" Galv.20'	3/8" Galv.	3/4"	3/8"	1/4"
38-40	400	1/2" Galv.20'	3/8" Galv.	3/4"	3/8"	1/4"
41-50	500	5/8" Galv.30'	1/2" Galv.	1"	1/2"	3/8"
51-60	600	5/8" Galv.30'	1/2" Galv.	1"	1/2"	3/8"
61-75	750	3/4" Galv.30'	1/2" Galv.	1"	1/2"	3/8"
76-100	1,000	3/4" Galv.30'	1/2" Galv.	1"	1/2"	3/8"

- A) All shackles and pins with stainless steel wire.
- B) The effective length of each of the above pennant lines shall be two (2) times the distance from the bow chock to the water plus the distance from the bow chock to the mooring cleat, or shall be two (2) times the distance from the stem mooring ring to the water. All pennants shall be six (6) feet in length.
- C) All anchor shackles, swivels and other hardware used in mooring hookups shall be of proportionate size to the chains used. A minimum of one (1) swivel shall be located between the bottom chain and top chain. Chains of one size throughout shall have a minimum of one (1) swivel located below the main buoy not more than halfway to the mushroom anchor. All chain and hardware must be of appropriate rated strength.
- D) The length of the top chain shall be determined by the depth of the water in the assigned mooring area and the total scope shall be at least 40' or two and one-half (2-1/2) times the depth of the water at high tide as determined from local charts, whichever is greater.
- E) All pennant lines shall be nylon, dacron, chain or stainless steel wire. All pennant lines running through a chock or any other object where chafing may occur shall have adequate chafe guards.
- F) Moorings may be required to be installed under the supervision of the Trustees or their duly authorized agent following an inspection of the mooring prior to installation, and they may direct the placement of said mooring in the correct location.

## **Instructions for Large Boat Mooring Permit**

1. Complete the attached large boat mooring permit application and the large boat overnight mooring permit application supplement. Boats are not to be occupied overnight, unless the large boat overnight mooring application supplement is filled out and accepted.
2. No mooring may be installed unless it has first been inspected and/or approved by an authorized representative of the Trustees and the location of the mooring is also approved. The location of the mooring will be determined by the Trustees or their Representative and may vary from year to year if necessary.
3. Additional inspections necessary to legally install a mooring will be charged at a rate of \$50.00 each. Instructions for inspection of the mooring will be provided upon approval of the mooring by the Trustee Committee.
4. The permittee agrees to acquire and keep in full force and in effect for the term of this agreement watercraft liability insurance in an amount not less than \$300,000 as well as environmental clean-up coverage for the permitted vessel.
5. Upon approval by the Trustees, a copy of the permit and two mooring stickers will be issued. One mooring sticker must be affixed to the mooring buoy and the second identical sticker must be attached to the permitted vessel. Any mooring buoy lacking a sticker will be deemed illegal.
6. If all available moorings are filled, a waiting list will be maintained in the order that complete applications with appropriate payment are received. Preference will be given to residents and renewal applications received by March 31<sup>st</sup>.
7. Mushroom anchors, chain and pennants of appropriate size as specified in the accompanying specification sheet must be used in all moorings.
8. Moorings may not be moved, transferred or sublet except by authority of the Trustees.
9. Moorings must be removed by December 1<sup>st</sup> of each year, and all moorings not so removed, and any other illegal moorings at any time, will be removed in accordance with Trustee regulations.
10. Moorings should meet recommended standards such as described in the current Chapman's. No moorings will be set before April 1, 2018. All moorings (bottom anchorage and stakes) shall be removed by December 1, 2018. There will be no winter stakes or buoys. Moorings not removed by December 1<sup>st</sup> will be subject to removal by the Trustees.
11. Any violation of Trustee regulations may invalidate a mooring permit. Copies of regulations will be available from the Trustee office.
