A waiting list may be maintained by the Trustees for these areas.

All moorings (bottom anchorage and stakes) shall be removed by December 1. There will be no winter stakes or buoys. Moorings not removed by December 1st will be subject to removal by the Trustees.
6. At any time during the term of the annual permit, should the Trustees or their designated agent determine a permitted mooring has not been set, permission will be revoked, all fees will be forfeited and renewal privileges will cease.
7. Return the application, the correct fee, necessary documents and the accompanying map to the Trustees office for review. You may submit paperwork, photos and documents via email to info@trustees.easthamptonny.gov
